

MISSION STATEMENT

Cosmetology is a multi-billion dollar industry with endless possibilities. With more men and women taking their appearance seriously, the opportunities for personal and professional growth have been better in the beauty industry. This industry provides job security or the potential to start your own business.

The objective of ABC Beauty Academy is to provide comprehensive educational tools needed for students to become exceptionally trained, qualified professionals who can secure employment in the fields of Cosmetology, Esthetics (Facial) and/or Manicuring.
